Subject: Invoice for Awesome Sprint #4

To: Ashkan Safaee <[ashkan@everyday.us](mailto:ashkan@everyday.us)>, Per Jonsson <[per@everyday.us](mailto:per@everyday.us)>, <[finance@everyday.school](mailto:finance@everyday.school)>

Invoice attached.

Note: I ended up saving y'all \$200 on my flights by going directly from SF where I'll be for a meeting beforehand, instead of NYC (even though that defies all logic!). Not as much as I was hoping for, but still feeling pretty good about my conformity to Swedish startup culture :)

Thanks for paying sooner > later.

See you soon!
