Heroku is not required to, and does not, collect your state’s sales or use tax. Purchases are not tax-exempt merely because a seller is not required to collect the tax. Your state’s law requires a purchaser to review untaxed purchases and, if any tax is owed, file a use tax return and pay any tax due.

For more information on your use tax reporting obligations, visit <https://www.heroku.com/salestax>

This charge will appear on your credit card statement as "**WWW.HEROKUCHARGE.COM**".
