(This a follow up email from our last conversation about the invoice letter)

Dear Per,

I see why this didn't got finalized, I thought after we both double checked, that the invoice letter had all the needed information you needed.

Find attached the final invoice letter. :)

As I am in a long travel in Europe and I need to have this cash flow, could you please make sure that you will proceed this transfer within the next couple of days so it appears in my account by the end of this week?

Thank you so much in advance,

warmly,  
John Karvelis
