Hey Per,

good to hear from you!
How are you guys doing and how is the school running?

As an AY teacher you get a 50% discount on the regular price of 550€, so you only pay 275€.
For every student you bring, you get another 50% off, so if you bring two students, you come for free!

To sign up and to secure your spot, transfer the course fee of 275€ to the account below.
